Community

Emotions

Art and DT

This term we will be recreate lines using pencils and paint brushes. We will be learning about primary colours and creating our own portraits using a variety of media.

Understanding the world/ Expressive Art and Design

Music

Through out the term we will be singing and performing many familiar nursery rhymes. In our music lessons we will be exploring body percussion, practicing a steady beat with our hands and feet.

Vocabulary

Composition of numbers to 3

Personal, Social and Emotional Development

'Being Me In My World'

We will be learning about our emotions and how to our actions effect others. We will be finding out about our rights and creating a learning charter.

Reading

These are some of the fiction and non-fiction books we will be sharing in our Literacy and Topic sessions this term.

Physical Education

This term we will be developing our gross motor skills following the Real PE sessions. We will be focusing on coordination and balance.

We will be developing our fine motor skills through threading, manipulating playdoh and using scissors.

Phonics

This term we will be using the Set 1 sounds we have learnt so far to blend CVCC/CVCC words i.e. dog/tent. We will be developing our skills to read captions and ditty's.

Segment Sounds - read the sounds and the letter names
a g t p n s d o i

Green Words - read these words by blending the sounds together
not got sip pop dad did dog

Red Words - read these words but tell your child the word if they get stuck
I the

I got pop
dad got a sip
the dog did not

Maths

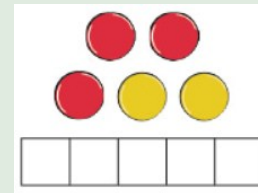

Count, recognise and sequence to 10

Add and Subtraction within 5

Composition of 5

Recall Number Facts

Year 1

History/Geography

In History we will be looking at Florence Nightingale and the history of nursing. We will be introducing a timeline to track events in history.

In Geography we will develop our knowledge of the World starting with Holbeach. We will use maps and begin to understand landmarks within Holbeach. We will also compare life in England to other countries. We will develop our map reading skills by locating some continents and oceans.

English

We will be using our phonics knowledge to spell CVC words and write captions. Using colourful semantics we will begin to structure and write sentences.

Science

In Science this term, we will be exploring how plants grow. We will be looking at common plants, through comparing and labelling their features and carry out an observation of beans.
