Stars

Art and DT

This term we will be continuing to develop our fine motor skills by manipulating clay. We will use our skills of colour mixing to design and choosing brush size for purpose.

Understanding the world/ Expressive Art and Design

Music

Through out the term we will be singing and performing many familiar nursery rhymes. In our music lessons we will be learning to use instruments and body percussion.

Towards the end of the term, we will be practicing Christmas songs for the nativity.

Vocabulary

These are some of the words we will be finding out about this term

Safety

Celebrate

Remembrance

Peace

Space

Travel

Fact

Fiction

Map

Nocturnal

Migration

Hibernation

Phonics

We will be revisiting the Set 1 sounds and practising our letter formation.

We will be developing our blending skills and beginning to sound out and blend CVC words.

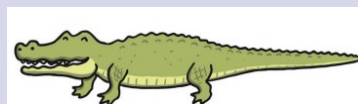

Fred Talk

Maths

Measure

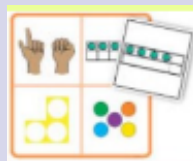

2D Shapes

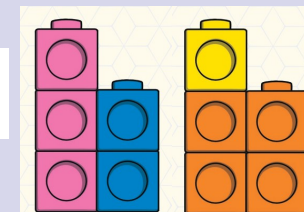

One more one less

Subitise

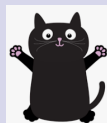

Recognition and composition of numbers to 5

Personal, Social and Emotional Development

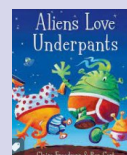

'Celebrating difference'

This term we will be learning to accept differences between one another and that we should celebrate this. We will learn how to include others, how to help others, how to use kind words and how to give compliments.

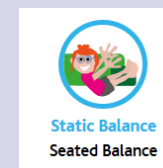

Reading

These are some of the fiction and non-fiction books we will be sharing in our Literacy and Topic sessions this term.

Physical Education

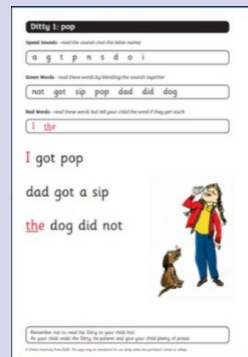

This term we will be developing our gross motor skills through Real PE sessions. On a Monday we will be exploring Real Dance by creating shapes and circles with our body. We will learn to move in a sequence to create a dance. On a Tuesday we will continue with Real Core, and work on our seated balance, and jumping and landing skills.

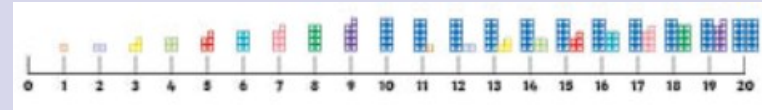

Phonics

This term we will be using the Set 1 sounds we have learnt so far to blend CVCC words i.e. jump. We will be developing our skills to read and write simple sentences. We will use this by using ditty's.

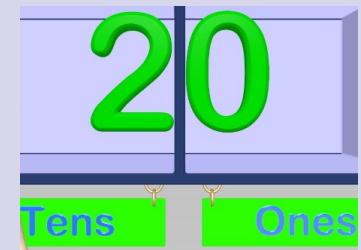

Maths

Number recognition and sequencing to 20

Addition and subtraction within 10.

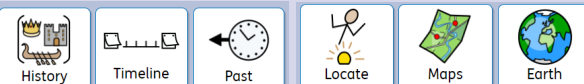

Place value within 20.

Year 1

History/Geography

In History we will be learning about significant events such as the Gunpowder Plot and the Houses of Parliament. We will also be looking at the War, where the war has happened and the reason behind wearing a poppy and why we wear it today. Later in the term we will be looking at significant individuals such as Neil Armstrong.

In Geography we will locate where we live and use google maps and street view to demonstrate. We will be looking at Earth as a planet and discovering land and oceans.

English

We will be using our phonics knowledge to spell CVC words and write captions and short sentences. Using colourful semantics we will begin to structure and write sentences. We will also be looking at non-chronological reports and fact files.

Science

In Science we will be continuing our learning of 'Animals, including humans'. We will investigate the importance of exercise, hygiene and health and exploring life cycle and growth. This term we will also learn more about seasonal changes and plants.
