

Maple and Chestnut Term 4 On The Farm

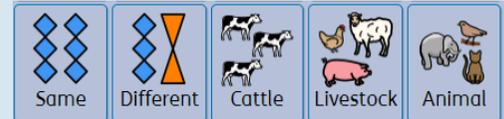

What is a farm?

Have you ever been to a farm?
What animals are on a farm?
What other things might you find on a farm?
Where does our food come from?

Animals on the farm.

What animals can be found on a farm?
What are the names of the animals and their young?
What do animals eat?
Where do animals live?

Farming around the world.

Is farming different in other countries?
What are the jobs on a farm?
How are different foods grown?
How are foods grown in hot / seasonal countries?

Art and DT

This term, children will explore the shapes and textures of vegetables through printing. They will discuss which vegetables are most suitable for creating a farm-themed print.
In DT, children will use their senses to explore different herbs and what they are used for.

Understanding the world/ Expressive Art and Design

Music

Through out the term we will be continuing our boom—whacker lessons with ACT II. During our lessons, we will developing our rhythm and beat.

Vocabulary

These are some of the words we will be finding out about this term.

Phonics

We will be revisiting the Set 1 sounds including special friends.

We will continue developing our blending skills to read and blend cvc words.

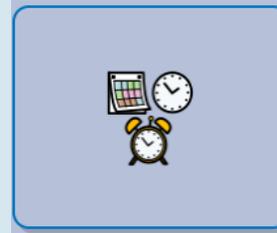

m	a	s	d	t
i	n	p	g	o
c	k	u	b	f
e	l	h	sh	r
j	v	y	w	th
z	ch	qu	x	ng

We will start to develop writing a simple sentence.

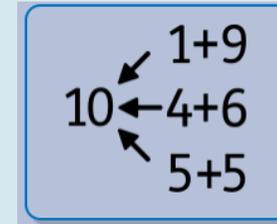

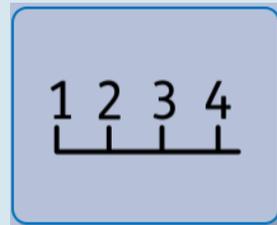

Fred Talk

Maths

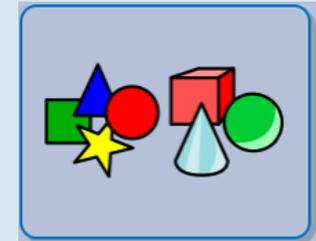

Time sequencing

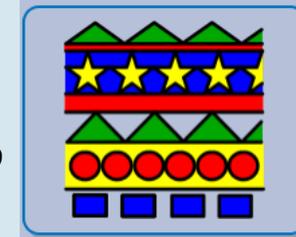

Number bonds to 5 and 10

Counting beyond 20

2D and 3D Shapes

Number Patterns

Personal, Social and Emotional Development

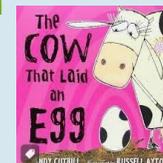

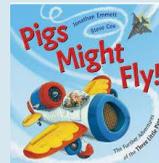

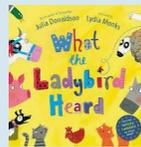

'Healthy Me'

This term we will be learning how to keep our bodies healthy. In our Jigsaw lessons we will be exploring the importance of exercise and rest, how to make healthy food choices, and the significance of hand washing. Towards the end of the term we will be learning how to keep ourselves safe if a stranger approaches us.

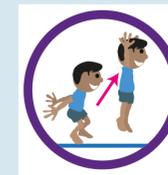

Reading

These are some of the fiction and non-fiction books we will be sharing in our Literacy and Topic sessions this term.

Physical Education

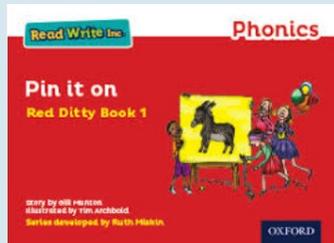

This term, children will take part in Real Gym, developing flight and rotation skills on the floor and apparatus. They will also complete Real Core sessions, focusing on developing ball skills.

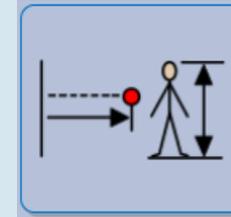

Phonics

This term we will be using the Set 2 sounds and reading words containing these and words with four or more sounds. We will continue writing simple sentences and reading red and green books.

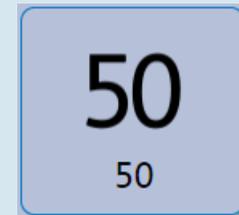

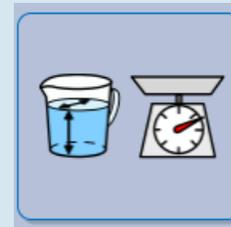

Maths

Length and Height

Volume and Weight

Place value within 50.

Year 1

History/Geography

Our History and Geography lessons this term will be linked to our topic of the farm. In these lessons we will be exploring farming in other countries and where our food comes from, how different climates effect food growth and how these foods were farmed in the past. We will also be looking at different animals and their habitats.

English

We will be using our phonics knowledge to spell CVC words and write captions and short sentences. Using colourful semantics we will begin to structure and write sentences. We will also be looking at writing instructions, story writing, writing facts, and making predictions.

Science

In Science, we will continue learning about everyday materials. We will carry out experiments to compare and group materials based on their properties. We will also explore seasonal changes and take part in a planting lesson, where we will plant lettuce.
