

Year 1 Phonics Screening Check Information.

Holbeach Primary Academy
2026

What is the Phonics Screening Check ?

- The phonics screening check is a short assessment to confirm whether individual children have learnt phonics skills to read words to an appropriate standard.
- The check consists of 40 words, 20 real words and 20 non-words (alien words) that your child will be asked to read one on one with a teacher in school. Your child may have read some of the words before while others will be completely new.
- This check will identify the children who require extra help so that they can be given support to improve their reading skills. They will then be able to retake the check in Year 2 if they do not meet the required score.

Who is it for?

The screening check is a compulsory statutory requirement for all Year 1 children and Year 2 children who previously did not meet the standard of the check in Year 1.

When does it happen?

The check will be administered during the week commencing Monday 8th June 2026

How long does the check take?

Every child is different, but most children take between 4-9 minutes to complete the check although there is no time limit. If your child is struggling, the teacher will stop the check.

It will take place in a quiet area of the school.

How can I help my child at home?

Phonics works best when children are given plenty of encouragement and regular practise.

- Help your child to use 'Special friends' 'fred talk' to read words they are unsure of
- Practise reading sounds speedily
- Listen to your child read the storybook every day
- Watch the virtual classroom films together through the QR codes or web links sent
