Dear Parent/Carer,

After Christmas, we moved our MIS to Arbor. By adopting Arbor, we will be able to communicate with you more efficiently and effectively.

Over time, you will be able to use the Parent App to book clubs, trips, and parents' evenings. Initially, we would like all parents to log in to the system. At present, you will be able to view your child's attendance, and from the next academic year, more features will become available for you to access.

Getting started:

You will receive an email containing your Arbor login details and instructions on how to access the Parent Portal.

Once your account has been activated, you will be able to access all available features. If you do not receive your login details, or if you experience any difficulties accessing your account, please contact the Academy office.

We hope you are looking forward to using this new feature as much as we are.
If you have any queries, please contact Mrs Lovell.

Kind regards
